

### **Fourlanesend's PE Vision Statement:**

Fourlanesend believes that Physical Education is an essential part of a child's educational development. We aim to provide a balanced programme offering a variety of activities to enhance skills in Physical Education and to ensure every child becomes physically fitter. Positive participation in Physical Education will enable children to build self-esteem, team work and positive attitudes.

We aim to:

Develop confidence, skills and knowledge.

Build enthusiasm for learning.

Promote fair play and respect.

Educate children to improve health and wellbeing.
