5th May 2017

Message from Head teacher: One of our parents has very helpfully made us aware of a cold call they received offering mathematical tuition for their child. Please be aware that if you get any such call this has not come from the school, nor do we give out ANY personal information about children. Following our very successful 'Survival day' we have uploaded our new film onto the website. Please take time to share this with your children, who will be able to explain what they were doing during the day.

Chartwells Menu Changes

The menu for Thursday 18th May - Census Day is:

Ham and Pineapple Pizza

Or

Vegetable Supreme Pizza

~

Full Salad Bar

Garlic and Herb Bread

~

Gelato

Fresh Fruit

Pasty Day

A huge thank you to everyone involved. It was a great day for all children to have a go at pasty making. The pasties were a sell-out, the most popular pasty being the Irish recipe. We made just over £100 which is being used to help develop our allotments.

Host Families Needed for Swiss Students

Are you able to host one or more Swiss students for a two week placement from 25th June - 8th July? The host family will be paid £300 per student. For further information, please ask at the office. Thank you.

Class News

Class Lynher - We have had May Day and some of us participated in the Maypole for the Black Prince Celebrations. In science, we have been learning about different animal groups—reptiles and mammals. In PE, we have been practising for sports day. By Harriet

Class Tamar - We have been making videos about sound in science. We have been writing 'recounts' in English and turning them into stories. We have also learnt lots about the Mayan Civilization. By Autumn & James

Class Cremyll - We have made our own games in maths to help us with our times tables. This afternoon we are doing digital literacy which is helping us to stay safe online. In PE we were learning how to run at an angle. By Lauren & Corin

Class Plym - We made a wattle and daub house using mud and water to make a paste. We then added sticks and straw for the roof. We have been learning about running around cones and how to run using our arms. We have also been writing sentences and using our sound mats. By Ruby-Skye & Helena

Thank you!

A massive thank you to Mandy Warren, Val Minty, Matt Jordan & Jewel Taylor who helped dig over our allotment ready to plant the potatoes. It was a big help and very much appreciated.

E-Safety Newsletter

Please see reverse of newsletter for the latest Scomis Essential Online Safety Newsletter.

Sainsbury's Active Kids Vouchers

We are still collecting the vouchers until 30th June. Please keep bringing them into the office and thank you to all those who have done so far. Don't forget to ask friends and neighbours for them as well. The more we collect, the more equipment we will be able to order for school. Thank you.
