**Message from Head teacher:** What a busy week we've had with the Class Tamar residential to Porthpean and our Sports Champion visit. Class Tamar were impeccably behaved. Please see the details of what they were up to below and on the school website in their class page. One of the highlights was creeping up on Mr Gargan's tent to wake him up. A huge thank you to Ryan Reilly for running our football training and team. The children have thoroughly enjoyed the club and made fantastic progress and we have really appreciated the time and effort he has put in to building our FLE team.

At 3.15pm, parents and carers of girls in years 3 & 4 are invited to come in and the school nurse will share how puberty is taught within school. In the lesson, the girls will receive a sample pack of products.

## FoFLES Summer Fayre - Friday 14th July

Please could we have donations for the tombola. It might be too warm for chocolate, but toiletries or such like would be greatly appreciated.

## Uniform

We have noticed quite a few children wearing trainers. Please can we remind you that these are not part of our school uniform and school shoes should be worn. If you need to replace any uniform/shoes for children in year 6, please buy what will be needed for their secondary school.

## ParentPay/School Meals Debt

Please can you make sure you check your ParentPay dinner money account and pay what you owe as the account is still in debit. This is particularly important for children who are in year 6. If there is an overdrawn balance on any payment item this will impact on very tight school budgets. Please note that unlike primary schools, there is no 'overdraft/credit' facility on ParentPay in secondary schools; if there are no funds available school lunches cannot be ordered.

## Class News

**Class Lynher** - We have enjoyed multisports in PE and learnt the names of vegetables in French. In DT, we have been planning recipes using seasonal food and in English, we have written letters to the mum of the main character in our class book - Holes. We have continued experimenting filming with different angles in computing. By Amelia & Morgan

**Class Tamar** - We have had a very busy week, all enjoying our fun filled residential at Porthpean on Tuesday and Wednesday. We tackled the high ropes, ladder climb, zip wire and leap of faith on our first day, along with a silent disco in the evening. On the second day, we hit the water in kayaks and stand up paddle boards. At school we have been studying the theme tune to 'The Pink Panther', using instruments to make interesting sound effects to correspond with the action on screen. In PSHE we talked about change and how sometimes we have no control over changes that happen in our lives, but how we can make positive changes ourselves that we can control. By Joey and Lydia

**Class Cremyll** - We have been practising running stitch to make our bunting and have also been practising our handwriting. We did multisports with Mr M and in geography we have been looking at living near the seaside and also looked at maps. This afternoon we are visiting class Plym as they are going to read us some stories. By Clara & Michael

**Class Plym** - We have been throwing bean bags using under arm in PE. We have also been practising our ball control with Mr M. We have been learning about the different stages of growing and we enjoyed having the new children who will be starting in September join us on Monday afternoon. Yesterday, we had an athlete in school who showed us how he can flip over without using his arms! He also asked us to do spotty dogs, press-ups and star jumps! By Louise, Mali, Lola, Savannah & Sully
