Torpoint policing team

Hello and welcome to your monthly report from Torpoint Police.

This month I have included below the website addresses of some sites you may find useful. If you are looking for crime statistics for your area or trying to find out which agency can help you with your query, please use these sites as they hold a huge amount of information and contact details!

As I have explained in previous bulletins, the statistics produced in this monthly report are accurate at time of research and publication, but are subject to change over the course of the month as crime types can be amended during the investigation and in some cases, we find that a crime has been recorded in error. Please bear that in mind should there be any discrepancies between the figures in this report and those on the websites below.

Update on recent crimes

The spate of damages to vehicles over the last 2 months remains under investigation by PC Wooldridge. Two individuals have been interviewed under caution and a third person is yet to be located and interviewed.

The recent burglary at The Garden attracted lots of attention over social media – thank you for all the information you have passed to us. Enquiries are ongoing and the team are reviewing CCTV footage and awaiting the results of forensic enquiries.

There also appears to be a number of estate signs being damaged around Millbrook and the Rame Peninsula – please contact us if you have any information about this vandalism.
