12th May 2023

**Message from Head teacher:** A huge congratulations to our Y6 children who have completed their SATs this week. We are all very proud of their positive, 'can do' attitudes. We had no tears or dramas—we never have had. They know, that we know, they are so much more than a test result. The whole school have shown a respectful attitude by being quiet and understanding changes to assembly and playtimes. A special mention to Class Cremyll who are next door to Class Lynher and are separated by a dividing door, we didn't hear a peep from them—they have been rewarded.

## Dates For Your Diary

## Guitar Lessons

Gavin visits every Friday and provides guitar lessons to children at school. If you are interested in your child learning the guitar please contact the school or look online at My Guitar Lessons Plymouth.

## Staff Shortages in the office

Please be aware we have a staff shortage currently. If you need us to get a message please call the school and speak to someone rather than email.

## BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.

Places **MUST** be booked at least 24hrs in advance.

## School Dinners

New menus has been a big hit! This week Emma covered over 40 more meals. Please keep an eye on the menu which is on our website to see what is coming up. Monday for example is 'ice-lolly' day which proved hugely popular with the children. The kitchen also had a drop in visit from Environmental Health on Monday who awarded the kitchen a 5 star rating again – well done Emma!

## Gardening Club

Wow, our allotment is looking like an allotment again thanks to all the hard work of the parent and children volunteers. This week runner beans and peas were planted. Gardening Club meets every Wednesday after school. Children attending need to be accompanied by an adult. Drop in on a Wednesday after school if you wish to join them.

## Parent Pay/School Meals Debt

Please can you make sure you check your ParentPay account and pay what you owe as the account is still in debit. Thank you to parents and carers that have paid what they owe.

## Class News

### Class Lynher -

A big well done to Year 6 who have been amazingly confident throughout their SATs. We have also had fun beginning our computing/DT project. We have been programming and debugging B-Bots and then designing adventure maps for them to go on. We are looking forward to making them next week for Class Cremyll to use.

### Class Tamar -

In PSHE this week we have been looking at the different ways we can make friends and how our friendships can change as we get older. In French we learnt how to ask what is he called and what is she called and how to answer. We looked at the properties of magnets in Science and which metals were magnetic and in Geography, we studied different types of mountain and how they are originally formed. Millie and Bobby

### Class Cremyll -

We've been very quiet and respectful this week as Y6 have been doing SATs next door to us. We made a disgusting menu using adjectives to describe our ingredients. So some examples were, mashed up monkey brains and barbecued toe nails. We are reading the book Jim and the beanstalk by Raymond Briggs and writing our own stories based on it. Clara, Harriet and Layton

### Class Plym -

In PE we did some egg racing with the egg and spoon and we did some hopping like a kangaroo. We then had a go at jumping in the sack and then we had a go at learning to skip by jumping over the rope. We came to the class and saw that Humpty Dumpty had fallen off the wall and he was broken. We think Little Miss Muffet did it on purpose and should go to jail! In our other PE we pretended to be pirates and jumped off the plank. Noah Hosking and Sullivan Blue
