**Message from Head teacher:** Thank you for supporting all our new procedures. We are all now getting more used to them. If your child or anyone in your household displays one of the 3 key symptoms of Covid, your household needs to self isolate until the person with the symptoms has taken a test and had a negative result. To accept your child back into school we will need to see the result of the test. You will receive a text, email and letter with the result on. The result has the name and D.O.B of the person on it - so it cannot be transferred. If you have any questions please don't hesitate to contact me.
